

DEPARTURE NOTES

We ask that you vacate the property before 10.0am on the morning of departure. It is a large property and can take some time to prepare for the next visitors.

It would be very much appreciated if the used bed linen (sheets/duvet covers/pillow cases) could be removed from the beds and put in the bags kept under the stairs, together with used towels.

Rubbish and recycling can be left outside.

The keys can be left in the 'keysafe' boxes or in the locks to the respective doors.

We hope you enjoyed your stay at Ingleby Lodge.

Have a safe journey home.
